April Fools' Day (sometimes called All Fools' Day) is an annual celebration in some European and Western countries commemorated on April 1 by playing practical jokes and spreading hoaxes. The jokes and their victims are called April fools. People playing April Fool jokes often expose their prank by shouting "April fool(s)" at the unfortunate victim(s). Some newspapers, magazines and other ...

Please read. This calculator is intended to provide estimated net price information (defined as estimated cost of attendance â€” including tuition and required fees, books and supplies, room and board (meals), and other related expenses â€” minus estimated grant and scholarship aid) to current and prospective students and their families based on what similar students paid in a previous year.

A fiscal year (or financial year, or sometimes budget year) is the period used by governments for accounting and budget purposes, which vary between countries. It is also used for financial reporting by business and other organizations. Laws in many jurisdictions require company financial reports to be prepared and published on an annual basis, but generally do not require the reporting period ...
