Singapore English is the English language spoken in Singapore, of which there are two main forms, Standard Singapore English and Singapore Colloquial English (better known as Singlish).. Singapore is a cosmopolitan city with 42% of its population born outside the country. [needs update] Singaporeans, even those of the same ethnic group, have many different first languages and cultures.

Although de jure Malay is the national language, Singapore English is regarded de facto as the main language in Singapore, and is officially the main language of instruction in all school subjects except for Mother Tongue lessons in Singapore's education system. It is also the common language of the administration, and is promoted as an important language for international business.
