I must say this was among my most anticipated purchases of the year. But after receiving it and going through it yesterday, to say I was disappointed would be a profound understatement. Understand - I thought I was part of the target audience for a book like this. I already own every single comic ...

## **Star Wars Comics Companion - CollectedEditions.com**

Since Disney acquired the rights to the franchise back in 2012, much of the "Star Wars" expanded universe, which consisted of video game storylines, films and comic books, was rebranded as "Star Wars: Legends" and made non-canon. This was done to make room for new stories, as Disney announced that the Star Wars comics would return to Marvel Comics.
