Laws of Florida. A verbatim publication of the general and special laws enacted by the Florida Legislature in a given year and published each year following the regular session of the legislature.

2017 | Laws of Florida

Natural justice is a term of art that denotes specific procedural rights in the English legal system and the systems of other nations based on it. It is similar to the American concepts of fair procedure and procedural due process, the latter having roots that to some degree parallel the origins of natural justice.. Although natural justice has an impressive ancestry and is said to express the ...

The laws of science, also called scientific laws or scientific principles, are statements that describe or predict a range of natural phenomena. Each scientific law is a statement based on repeated experimental observations that describes some aspect of the Universe. The term law has diverse usage in many cases (approximate, accurate, broad, or narrow theories) across all fields of natural ...
