What Makes an Oxford an Oxford? Unlike most other shoes and items of menswear, the Oxford shoe has one principal defining characteristic: the lacing system. Sometimes people use the term Oxford to denote any smart lace up shoe, even those with open lacing, but thatâ€™s not how we will use the term in this guide.

The University of Oxford is a collegiate research university in Oxford, England. There is evidence of teaching as far back as 1096, making it the oldest university in the English-speaking world and the world's second-oldest university in continuous operation. It grew rapidly from 1167 when Henry II banned English students from attending the University of Paris.
