

thematic anthology 1 set pdf

In contemporary literary studies, a theme is the central topic a text treats. Themes can be divided into two categories: a work's thematic concept is what readers "think the work is about" and its thematic statement being "what the work says about the subject".. The most common contemporary understanding of theme is an idea or point that is central to a story, which can often be summed in a ...

Star Wars is an American epic space opera franchise, created by George Lucas and centered around a film series that began with the eponymous 1977 movie. The saga quickly became a worldwide pop culture phenomenon.. The first film was followed by two successful sequels, The Empire Strikes Back (1980) and Return of the Jedi (1983); these three films constitute the original Star Wars trilogy.
